Reminders

- We need a lot of help** back stage during the show. If you would like to help, please sign up now in the lobby of the studio. **If you are working back stage, don't buy yourself a ticket for that show.** You will not be able to sit in the seats. You will however, be able to watch all of your children's routines when they are on stage. **[All Broadway Babies need one responsible adult per child backstage during the show].**
- If you purchase a ticket to watch the show you will not be able to run backstage to see your child during the show. Performers remain back stage the entire show. Please choose to either help back stage or watch the show, but not both. Ushers will not allow audience members to exit and re-enter the theatre. It is very distracting for other audience members.
